## Student Feedback Analysis (2017-2018)

### ii. Action Taken Report- Based on the Feedback Received from Students (2017-18)

- ❖ In response to the minimum number of specific books in the library, the college took initiative to increase the quantity of books related to various subjects, along with journals, magazines, research-related books, competitive exam books, and e-books. These additions were made to cater to the needs of the students.
- ❖ To create the interest in learning beyond the classroom methodologies, the college developed plans to promote experiential learning as a means of enhancing students' educational experience.
